

MAGNETIC ISLAND RESIDENT RATE

How good is the Island lifestyle?! We hope this offer helps you enjoy it even more!

We recognise living on Magnetic Island comes with its own challenges, and appreciate commuting is an essential part of island living. To show our support, we are pleased to provide a reduced rate exclusive to Magnetic Island Residents.

The Island Resident Rate is offered as a benefit to eligible Magnetic Island residents. To help us monitor its use, you must:

- Hold a current **Queensland driver licence** showing your Magnetic Island **residential** address.
- **Present your driver licence** for verification at the point of sale, when boarding or upon request.
- **Travel in** the eligible vehicle at time of travel.
- Not use the rate for **commercial** purposes.
- Understand that **misuse** may result in access to the Island Resident Rate being **withdrawn**.

The Island Resident Rate applies to:

- Motorcycles and motorised scooters up to 3.0 m in length.
- Vehicles up to 6.5 m in length and 6.0 tonnes, provided they are within the applicable width limits.

If you cannot present a current driver licence showing your Magnetic Island address, or you are not travelling in the eligible vehicle, the full applicable fare will be charged.

Eligibility for the Island Resident Rate will be reviewed regularly.

I _____ agree to the terms and conditions of the above privilege and its instructions.
